Purpose

The Evaluate Scorecard is a quick self-assessment tool designed to help leaders reflect on the visibility, alignment, and insight they have into their organization's current performance and strategic clarity. It is ideal as a workshop warm-up, pre-engagement intake, or part of an EDGE™ Sprint kickoff.

How to Use This Tool

Rate your agreement with each statement below on a scale from 1 to 5:
1 = Strongly Disagree, 5 = Strongly Agree.
Add your total to interpret your current level of performance insight.

Scorecard

We have a shared understanding of our top strategic priorities. _____

We have visibility into key performance trends across functions. _____

Our data and reporting systems support timely, confident decision-making. _____

Leadership is aligned on what success looks like — and how to measure it. _____

We regularly surface and discuss gaps between strategy and execution.

Scoring Guide
21–25 – High clarity and alignment: You likely have a strong Evaluate foundation.
15–20 – Moderate clarity: Some alignment exists, but key gaps may be affecting performance.
< 15 – Low clarity: Strategy, data, and direction may be disconnected or inconsistently understood.
